ABOUT US

1. Profile of the College

Radha Govinda Baruah College was established on July 15, 1978 with the noble aim of spreading the light of knowledge in what was then a remote corner of Guwahati. The college was named after the "architect of modern Assam" *Xingha Purush* Radha Govinda Baruah, a person *nonpareil* in the annals of Assam, whose contributions in the field of media, culture and sports are second to none. Over the years the college has made rapid strides and is now a leading institution of higher education in the city offering many courses of study, with the ideals and values of the great personality whose name it proudly bears deeply embedded in its learning ecosystem.

In its initial years, the college functioned from a makeshift arrangement in Natun Fatasil Town High School with only a handful of students and teachers. The college shifted to its present campus in 1986 and was soon brought under the deficit grants-in-aid system of the Government of Assam in 1990. Along with other colleges of Assam, the Arts stream was also provincialised when the system was introduced by the Government of Assam in 2006. Subsequently, the Commerce stream was provincialised in 2013. The college is permanently affiliated to Gauhati University and is under the purview of Section 2 (F) and 12 (B) of the University Grants Commission Act 1956. The college has completed two cycles of NAAC accreditation and is gearing for the third cycle. At present, the college has 14 departments imparting quality education at the Higher Secondary and Undergraduate levels to more than 2000 students across a wide range of programmes.

The college can boast of having a committed team of experienced and young faculty whose role in giving shape to the life and career of the students cannot be stressed enough. With great passion and patience, the

teachers have successfully drawn out the students' latent talents and abilities. Students with poor to modest academic careers at the entry-level have shown marked improvement in their results at the undergraduate level. We ensure that their expectations are no longer just to pass examinations but to excel in them. Our students have gone on to realize their potential by working in various government and private organizations. Many have also excelled in the professional world by dint of their entrepreneurial spirit.

Besides academics, the inculcation of moral and social values among its students is another core thrust area of the college. Regular value-oriented programmes ensure that students of the institution also demonstrate social commitment and moral uprightness. Inclusiveness has always been in the foreground of the institution's plans for the future. The outcomes are conspicuous for everyone to see. Above all else, what stands R.G.Baruah College apart is its feeling of camaraderie that exists among the students, teachers and staff—on board together on an academic journey.

2. Vision of the College:

The vision of the college is to disseminate quality education to all students in an inclusive environment, and thereby help them realise their true potential and become responsible human beings serving society.

3. Mission of the College:

- To promote academic excellence among students and thereby set a new benchmark in the domain of higher education
- To produce graduates with all the attributes to face the demands of a competitive world
- To provide a congenial learning environment for all the stakeholders of the institution
- To provide learning resources and infrastructure to students at par with the best

- To introduce new programmes and courses of study in tune with the changing global demands
- To fulfil social responsibility towards the local community in terms of educational, health and environmental concerns in conformity with the principles upon which the foundation of the institution was laid
- To draw out the latent talents and abilities of students and to inculcate in them a passion for co-curricular and extra-curricular activities
- To help students develop the soft skills necessary to excel in the professional world
- To cultivate moral and human values among students, and thereby help them grow as morally upright individuals
- To fulfil the objectives of National Education Policy (NEP) 2020 in letter and spirit by 2030

4. Goals and Objectives of the College:

- To promote academic excellence taking the syllabus and the curriculum into consideration.
- To produce both Arts & Commerce graduates of the highest standard to face the demands of a competitive world.
- To draw out the latent talents and abilities of the students, to inculcate in them a passion for achievement.
- To help the students develop skills of communication, self-study, self-analysis and to help them to realize their own potential and calibre.
- To render academic and financial assistance to socially, economically, and academically disadvantaged students.
- To guide the students to cultivate moral and social values, helping them to emerge as morally upright individuals thereby preventing erosion of values and virtues in society.
- To arouse in the students a sense of social commitment by exposing them to real life situations, particularly in the backward and rural areas and to motivate them to render meaningful community welfare service.

- To encourage the students to participate in a variety of co-curricular activities leading to physical fitness, cultural enhancement and national integration.
- To encourage innovative experiments in methods of teaching and evaluation.
- To inspire and help the faculty of the institution to acquire knowledge through research activities and active participation in seminars leading to career development.
- To promote congenial atmosphere in the college among the students and staff.

5. The College Emblem:

The college emblem, designed by Lt. Khagen Das, represents the perspectives and aspirations of the college. It portrays the swan in flight as its central figure. The swan, the "Vahana" of the goddess Saraswati, stands as the symbol of knowledge and its flight as the spreading of knowledge. The quill in its beak signifies the respect for traditional values and the veena on its back signifies the enhancement of the aesthetic qualities. The illuminated earthen lamp in the backdrop signifies enlightenment. The rays which comprise the boundary of the emblem signify the aspiration to spread knowledge in all directions.

6. The Motto of the College :

The motto of the college is "*Tamaso ma jyotirgamaya*". It is an invocation to lead us to light from darkness, to knowledge from ignorance, and to a wider perspective from a myopic outlook. It is in accordance with the aim of the college which is to provide quality education to the students, thereby enabling them to meet the changing demands of higher education in society.

15. College on the Web

The college website (www.rgbaruahcollege.ac.in) announces its presence on the web. A treasure trove

of information about the college, the website is regularly accessed by the students for all the latest notices relating to examinations, classes, event, etc. It has a dynamic student portal which can be accessed by students with their allotted usernames and passwords for the purposes of fees payments, class notes and feedback.

16. IPR Cell

The establishment of an Intellectual Property Rights (IPR) Cell within a college is a significant step towards fostering innovation and protecting the creative endeavors of students and faculty. This specialized unit serves as a hub for promoting awareness, understanding and management of intellectual property issues within the academic community. It offers guidance on patenting, copyright, trademark and other legal aspects, empowering individuals to safeguard their inventions, research, finding and artistic expressions. Moreover, the IPR Cell facilitates the commercialization of intellectual assets, facilitating partnerships with industries for mutual benefit. Through workshops, seminars and consultation, it cultivates a culture of respect for intellectual property rights, nurturing an environment conducive to scholarly pursuits and entrepreneurial ventures.

17. Incubation Centre

The Incubation Centre is established and designed to accelerate the growth and success of budding entrepreneurs through the different awareness programmes, workshops, lectures, industrial visits etc., for improving entrepreneurial skills of students and concerned individuals.

18. Institution's Innovation Council

The college has established an Institution's Innovation Centre to foster the culture of innovation among the students and to conduct various innovation and entrepreneurship-related activities for the students.

(C) Co-Curricular and Extra-Curricular Activities

In addition to the prescribed courses of study the college encourages and motivates the students to organize and participate in various co-curricular and extra-curricular activities such as games and sports, fine-arts, literary and cultural activities,

debating, symposium etc.

1. Games and Sports

Facilities for games like football, volleyball, cricket, badminton, table tennis, carom, chess etc are available in the college.

2. N.C.C

The College has a N.C.C. Subunit, Army Wing for both boys and girls cadets. Every year 20 to 40 boys are recruited in this unit. Many of our cadets have been awarded 'B' certificate who attended camps such as C.A.T.C., N.I.C., N.I.C. special, Pre-R.D., Trekking etc. all over India. Our cadets have always participated in the Republic and Independence Day parades in Guwahati.

3. N.S.S

National Service Scheme (N.S.S.) was incorporated in the year 1992-93 in R.G.Baruah College with financial aid from the Govt. of India. It is actively associated with various community services, such as: (i) social services rendered in College, (ii) social services in villages and community, (iii) organizing blood donation and blood group testing camps.

(D) Events and Occasions

1. The College Foundation Day

15th July, the death anniversary of late R.G. Baruah, is observed as College Foundation Day every year.

2. College Week and Freshers' Social

The College Week is held every year in the College. Students are encouraged to participate in indoor and outdoor games, quiz, debates, singing, recitation and art and craft competitions. Students are also given incentives to participate in any event, at the District, State, Regional and National Level.

The Freshers' Social is generally held in the 1st part of August.

3. B. B. C. Memorial Lecture

Since 2001, Binoy Bhusan Choudhury Memorial

Lecture has been organized annually by the Teachers' Unit of the college and family of late Choudhury jointly. Till now, many renowned persons from various fields have delivered their valuable lectures in this institution.
