## FROM PRINCIPAL'S DESK

Since its inception in 1978, this Institution has been thriving to become one of the premier Institutions of Assam. With this goal in mind the whole fraternity of the college needs to work together in order to achieve it. Taking the position of the principal-in-charge in this year, I am determined to overcome all the obstacles that are on the way of this Institution. The main goal of this Institution is student welfare. The Institution tries to leave no stone unturned to achieve this goal.

Hope the positive willingness, efforts and cooperation of every members of this Institution will help to achieve this goal.

December 2010.
